ATTENTION ALL PONY RIDERS

The Eastern Cape Horse Society would like to remind all Pony Riders of the regulations concerning the measuring of ponies.

As per SANEF General Regulation 05.3.5 and 05.3.6 all ponies under the age of seven years must be re-measured annually and the height certificate submitted to the ECHS office.

Ponies over the age of 7 years, and not in possession of a "Life Certificate" shall be measured by TWO Official Horse Measurers and such measurement as certified by BOTH measurers shall be valid for the remainder of the pony's life.

Kindly submit a copy of your ponies current height certificate to the ECHS office by closing date of entries for the PERC Summer Show (7 January 2010).

If you are not in possession of a current height certificate, kindly arrange with the ECHS Official Measurers to have your pony measured and submit the certificate as soon as possible, thereafter.

Pony riders not adhering to the above, will be refused entry to subsequent shows until the height certificate is received by the ECHS.
